## *July -Mid-summer UPDATE!*

### Family Update:

Thanks to the response from the congregation and the WMU the families in need are doing much better! The family from St. James Ave. that had the fire damaged was given \$250 to help replaced clothes and personal needs. The other two families suffering from loss of jobs and medical needs are stronger from our help, also!

All of your donations have helped tremendously. **Thank You!**

### Eastern Shore Migrant Worker Update:

Thank you for your response to fabric drawstring bags and toiletries! We had 2 "lawn & leaf" size bags to take. Other churches from Blackwater also contributed. We had a carload full of things to contribute! We have several ladies going on July 14<sup>th</sup> to the Shore to help with VBS and meet the Migrant Families. Thanks for all your help!

## **Vacation Bible School Has Asked for Our HELP!**

VBS has asked WMU to collect individually wrapped nutritional snacks for kids. We need to bring these to church by August 9 (starting night of VBS). There is a collection box in the Little Kitchen. The Youth Group at VBS will sort and package these snacks for **Kids Café** in Suffolk. **The Kids Café** provides evening meals for children in after school programs. These snack bags will be given to the children for weekends or holidays to encourage good eating habits at home.
